Workshop Evening**

### Chairman's Message

I understand the meeting on Tuesday 15th November was very well attended, I was sorry to have missed this although I enjoyed a very relaxing week in Cornwall and whilst there attended the Remembrance Sunday service in St. Ives. This was very well attended by both visitors and towns people on a lovely sunny morning. I am very pleased that the majority of members will be at the Dog & Bear on Monday next, 5th Dec and I am sure it will a good evening. Apart from this we don't have another meeting until the 16th January when I hope you will all be able to come along to help sort out and catalogue more items for the village archive. If you have any items or photos which may be of interest please bring them with you. This year we applied for a grant from the Parish Council for the money to enable us to purchase a Software programme for archiving and I am pleased to report we have been successful. The application was approved at this weeks Parish Council meeting. The software programme is Nationally recognised and accepted and has been written specifically for History Societys.

I would like to finish by thanking everyone for supporting the society over the past year and to wish you all a Very Happy Christmas and a Healthy New Year and I look forward to seeing everyone in 2017.
