AGM

Chairman's Message

I hope you enjoyed our talk in February, which I thought was really amusing, it was quite a surprise to hear what some people wanted for their funeral and the way they wished to be remembered. Our next meeting on Monday 20th March sees a return visit from Dennis Chambers, who will be giving his talk 'Pluckley Most Haunted Village in England'.

Our meeting on the 10th April is our 4th AGM, this is one week earlier than usual due to the Easter Holiday. After the formal business we are hoping to show everyone how the Village Archive is progressing. We have lots of interesting projects to work on over the next two years and would really appreciate some assistance on the committee, please consider joining us, our meetings are only a couple of hours long, once a month and liquid refreshments are always provided. Regarding our project to raise the money to improve the access paths in the War Memorial Gardens. We anticipate we will need to raise approx. £7,000.00 for this and would like people to consider purchasing bricks at a cost of £20.00 each to help us raise this money. The bricks will have the names of those who served in both World Wars thus providing a Roll of Honour remembering all of those who fought for our country. Please let me know if you are willing to support us with this project.
