Chairman's Report

The society's meeting on Monday 20th May was attended by twenty five members who enjoyed a very interesting talk and Power Point presentation by Victoria Wallace the chief executive from Leeds Castle. It is proposed to organise a "Behind the Scenes Tour" of rooms not usually open to the public for members, possibly on a weekday in July and I hope to have information on this for next Monday's meeting.

Committee members continue to be busy with the selection of photographs and postcards for the proposed book: -

HARRIETSHAM IN OLD PHOTOGRAPHS AND POSTCARDS

It is hoped to have this available for purchase by the end of September at a cost of £9.99., the 1st edition of 500 copies will include 100 signed copies which will cost £14.99. Orders for the book are now being taken.

I look forward to seeing you on Monday next.
