Chairman’s Message

I am sorry we had to cancel our proposed workshop meeting in August, hopefully we will be able to organise another one in the near future as we still have quite a lot of material to sort out. Our next meeting on Monday 21st September should be interesting as this time our speaker will be talking about ‘fallen women’ which will make a change from hearing about the more notorious men in history. This meeting will be in the Primary School Hall starting at the usual time of 7.30pm. Could I take this opportunity of thanking everyone who has supported the village hall solar panel project by voting on the M & S Energy website they need to get as many votes as possible if they are going to be successful in obtaining the grant. If you haven’t voted or if you have another email address and password it would be really appreciated if could support this project. Please let me know if you have any problems with voting as I could arrange this for you.

The re-dedication of the war memorial will take place on Saturday 7th November at 2.00 p.m. The service will be conducted by Trevor Willmott, the Bishop of Dover. At this event, we will also be launching our second book, about the 31 men and women with a Harrietsham connection who died during World War 1. This event is in addition to the normal Sunday Remembrance service on 8th November We hope you will put this date in your diary and join us to mark this special occasion.
