Chairman's Message

I can't believe another year has flown by and once again it is time for our annual AGM meeting which I hope you will all be able to attend. It is also the final year of the Centenary of the First World War but I am sure that time did not go by as quickly, 100 years ago. Over the past 4 years Stephen has continued researching and publishing the Harrietsham Times News in the Network magazine each month and Mike Bishop has produced and placed the Poppy crosses in the Memorial bed on the West Street green in remembrance to those who lost their lives. Unfortunately due to the prolonged period of bad weather we have not yet been able to plant the 100 Nerine Bulbs in the War Memorial Garden so it is unlikely that this will be done in time for them to flower this year, hopefully will be able to arrange this with H.I.B., in the very near future. We are still pressing on with our fund raising for the War Memorial Paving Project and our next event will be on Friday 8th June when we will be holding another Bingo Night in the village hall, which I hope you will support. Please also make a note in your diary of the Celebration Party we are organising for November 17th to celebrate the end of the First World War Centenary. Tickets and more details for this event will be available shortly.
