### **Chairman's Message**

Later than usual with this newsletter as no meeting in June but a group of us had a very enjoyable visit and tour of the caves at Chislehurst and 13 of us then had a very nice lunch at The Bickley Pub which was just round the corner.

My thanks to everyone who have renewed their membership again this year, at present unfortunately we are down slightly on numbers against last year so if you have just forgotten or simply not got round to it we hope you will do so soon. On the 8th June we had our Bingo Night which was not very well supported but we still managed to raise a small amount for the paving project, hopefully we will raise some more money at the Church Fete on the 14th July when once again we will be running a Pimms stall.

Whilst it may seem a way off we will shortly have fliers and tickets for the Event on the 17th November and would recommend that you obtain tickets quickly as we anticipate a good response with the Beverley Swing Band providing the entertainment for the evening.

Details of our July meeting can be found on our website together with the programme for the rest of this year but I will send out my usual newsletter as a reminder nearer the date.
