Chairman's Message

On Monday 7th May volunteers from HIB and the society met at the War Memorial Garden and successfully planted the 100 Nerine Bulbs in the existing flower bed on the West Boundary of the site. Although this was later than we are optimistic they may still flower this year. The first meeting of our society new year is next Monday 21st May when our speaker James Dickinson will be giving his talk on Edward II which I am really looking forward to. Could I please remind you that membership subscriptions are due and can be paid on the evening (still only £15.00 per person). And for those of you who are intending to go to Chislehurst Caves we need to collect the entry fee of £4.00 each to enable us to confirm the booking for the guided tour. Tickets can also be purchased ~~on the~~ for the Bingo Night on the 8th June which is hopefully one of the final fund raising events we are holding for the War Memorial Paving Project as thanks to one of our very generous sponsors we are now very close to being able to have the work carried out. For those of you who were not able to attend the AGM last month and therefor did not get a copy of this years programme, it is on the society website and copies will be available on Monday evening. I hope you will all continue to support the society by renewing your membership and look forward to seeing you.
