Chairman’s Message

This weekend sees the Annual Church flower festival and this year we will be joining with RBL and having a small display on the Big Band evening on the Poppy display, Tickets for our event are selling well but there are still some available if you are interested in joining us to celebrate the end of the centenary of the First World War. Our next meeting is on Monday evening the 17th September when our speaker Patsy Erskine-Hall, will be talking about Georgian Ladies. Some of you may be interested to know the Kent Archaeology Field School are back in Hollingbourne excavating Bronze and Iron Age features in a small prehistoric homestead on the North Downs that was located by aerial photography and field survey. They are there from the 10th—21st September, I haven’t had the opportunity in looking in on them but hope to one day next week.

Poppy Appeal - We are helping with filling the Poppy boxes again this year at the end of October which just involves a few hours in the village hall one evening so if you could spare the time to help it would be appreciated.

The Harrietsham Times Newsletter booklet is almost ready for printing and we have already taken a few advance orders for this. As we will only be publishing 100 copies please let me know if you would like a copy reserved.
