Chairman's Message

Thanks to those of you who came to our AGM on the 15th April and for those who were not able to make it the good news is that your membership fees remain the same for another year at £15.00. These can be paid at our meeting next Monday evening or you can just pop a cheque in to me when you are passing. I hope you will all continue to support the society as we have an interesting and varied programme of speakers for the coming year, details of these can be found on our recently updated website. The talk at our next meeting on Monday evening sees a change from the one previously advertised as our speaker no longer gives the talk we asked for. However I am sure you will enjoy the talk he will be giving entitled 'A History of Lord Cardigan' Best known for his role in The Charge of the Light Brigade in the Crimea there is much more to the man to explore.

Unfortunately we are not having much success with our proposed trip to the Biggin Hill Museum, we only have a few members who have expressed an interest in this so are now intending going in a couple of cars on Wednesday 12th June. If you would like to come with us please let me know on Monday to enable us to sort out transport. The cost of entry to the Museum is £7.50 without gift aid and apparently you need about 2hrs to go round.

On Saturday 22nd June we will be having our Pimms stall at the Church Fete in the Rectory Gardens. As this is possibly the last time the fete will be held there it would be nice if the weather is good and a lot of people turn up.
