### Chairman's Message

Hi Everyone,

I am sure most of you will have heard of and possibly seen the 1965 comedy film, 'Those Magnificent Men in their Flying Machines' well I am sure our talk on Monday evening will be totally different and a lot more interesting dealing with the Magnificent Girls in their Flying Machines. Hopefully you will all be able to join us this month as we were a little down on numbers in September possibly due to holidays, I am sure it will be a very interesting talk.

There is still room for a few more to join us for our Christmas meal at the Dog & Bear although we have now booked and paid the deposit for 20 members who have already decided to come along. Please note we have to give everyone's choices for the 3 course meal early in November. The cost of the meal including a tip for the staff is just £25.00 per person and this includes complimentary coffee and mince pies at the end of the meal. Copies of the menu will be available on Monday evening to enable you to decide on your choice for each course.

Just a reminder that our meeting in Nov is a joint meeting with the Gardening Society and this is on Tuesday 19th Nov, the speaker Russell Bowes will be giving a 'Horrible Horticultural History talk entitled 'The Devil's Garden'.

Next years holiday to Northern Ireland in June is now almost full with just two places available if anyone is interested please let me know as soon as possible.

I look forward to seeing you on Monday.
