Chairman's Message

Next Event

Monday 16th March
Harrietsham Village Hall
7.30pm
'Under Billowing Sails'
The Romance of Tall Ships
Speaker Wilf Lower

Diary Dates

Monday 20th April
AGM

I am pleased to confirm that our meeting on Monday 16th March is definitely going ahead so I do hope you will not be put off from coming along to hear our speaker Wilf Lower as I am sure his talk on Tall Ships will be very interesting. We will not be serving teas or coffee this month following recent recommendations so please bring something with you if you think you will need a drink during the evening.

We now have updated our society leaflet which has details of all of our meeting dates and talks for the next 12 months and copies of this will be at the meeting. The programme includes a visit to the City of Rochester for a guided tour in June which hopefully we will still be able to organise, but we would like to get some idea of the number of people who would be interested so please let Carole know on Monday if you want to be included.

I regret to advise you of the death of William Hubble, one of our members who passed away suddenly on Thursday 12th March. Unfortunately we did not see him very often at our meetings as they conflicted with one of his other interests but he and Helen were very interested in our group and the History of the village.

Finally just a reminder that our meeting in April will be our AGM which I hope you will all be able to attend and that you will continue to support our society by renewing your membership for another year.

I hope you are all keeping well and I look forward to seeing you on Monday evening.
