**Welcome by the Chairman**

**Presentation of Accounts to the end of March 2021**

**Committee Members**

**Membership Fee**

**Meetings 2022**

**Hi Everyone,**

**Please come along to our meeting on Monday 4th October to help us decide on how the society is to meet in the future as we will welcome your suggestions on the best way to keep the society going after the problems caused by the Covid pandemic.**

**We are anxious to be able to continue with our work creating the digital archive of the village history as hopefully we will soon have somewhere to display some of the items we have been collecting and will be able to make the archive accessible for everyone to access.**

**Peter Brown**
