## **NEW DATE FOR WORKSHOP MEETING**

**MONDAY 21ST MARCH**

**2—4PM**

**SCOUT HUT, STATION ROAD**

On Friday 18th February storm Eunice struck Harrietsham resulting in the loss of power to most properties' including the Scout Hut and despite several promises it was not reconnected in time for us to hold our proposed workshop meeting on Monday 21st. Fortunately we managed to contact everyone who had planned to come to the meeting to avoid them having a wasted trip. Thankfully now that power has now been re-connected the Scout Hut is back in operation and we have managed to fix a new date for our workshop meeting for Monday 21st March, fingers crossed that we don't have more problems with adverse weather between now and then.
