Hi Everyone,

I am sorry if a few of you turned up at the Village Hall on Tuesday 7th March expecting a meeting as this date was incorrectly put on the diary page in the Network Magazine, the editor has apologized for this mistake in the April edition. It is always a good idea to check on our website and I always send out a reminder by way of a newsletter a few weeks before each meeting. Details of our next meeting on the 11th April are above please note this is in the evening now 'summer is here' and we now have the lighter evenings. It was intended to have our AGM at this meeting but we have decided to hold this at a later date to enable the society accounts to be completed and checked before they are presented. We also need to make a decision on the future of the society and who will run it now that Carole is now longer on our committee and I will be leaving the village this year. Please let me know if you would be interested in helping to keep the history society going as it would be a shame if all of the village history we have collected over the past 11years is not available to be accessed in the future. I look forward to seeing you on the 11th.

Best Wishes, **Peter**
